SUBJECT:

Public Hearing on the Proposed 2018 Property Tax used for the FY2019 Annual Budget -- Leigh Wallace, Finance Director

ITEM SUMMARY:

The Texas State Code requires the City Council to hold two public hearings on the proposed tax rate prior to adoption, if the proposed tax rate exceeds the lower of the effective or rollback tax rate. The 2018 proposed rate exceed the effective rate. The rate is required to fund the FY2019 City operating costs, debt service on bonds for infrastructure, and various enhancements to City services to meet the demands of growth in the community. The Council is not required to adopt this rate; however, this is the maximum rate the Council may consider as set by Council action. An overview of the tax calculation and related General fund revenue and expenditure information was reviewed by Council at budget workshops held on July 17, 2018, July 18, 2018 and August 7, 2018. The proposed FY2019 Annual Budget will be available with the City Secretary and on the City's website at finance.georgetown.org
